

NOT TODAY, DAUGHTER

A Healing Testimony of Miracles, Surrender, and God Who Was Always Close

Amy Schultz | Official Media Information

Book Overview

Not Today, Daughter is a Christian testimony of miracles, healing, surrender, and the faithfulness of God. Drawn from years of journals, the book traces Amy Schultz's journey from knowing of God to knowing Him personally, and culminates in two SCAD heart attacks six days apart, emergency double-bypass surgery, and three words received in an ambulance: "Not today, Daughter."

The book is more than a survival story. It is a testimony shared to point readers to Christ Jesus, encourage a deeper personal relationship with Him, and invite readers to recognize and tell of His faithfulness in their own lives.

Suggested Interview Topics

- **The story behind the title:** The second ambulance ride, full trust in God's will, and the words that became the title.
- **Knowing of God vs. knowing Him:** How faith became a personal, daily relationship rather than simply belief and knowledge.
- **Faith already formed before crisis:** What the heart crisis revealed about trust God had already built over years.
- **Why the testimony was written:** How years of journaling became a record of God's faithfulness and eventually a book.
- **Journaling and remembering:** Why recording prayers, dreams, dates, and confirmations mattered to the story.
- **Healing and the foot of the cross:** Emotional, spiritual, relational, and physical healing through surrender and mercy.
- **A testimony that points beyond the author:** Why Amy sees herself as a living letter and wants readers to look to Christ Jesus.

Suggested Interview Questions

1. Where did the title Not Today, Daughter come from?
2. What is the difference between knowing of God and truly knowing Him?
3. What did you discover about the faith God had already built in you when the heart crisis came?
4. Why did you decide to write Not Today, Daughter?

5. Why was journaling so important to the way this book was written?
6. What do you hope readers will take away from Not Today, Daughter?
7. Why was it important to you that this book point people to Christ Jesus rather than simply focus on your survival story?
8. Was there a moment when you realized this testimony wasn't just yours to keep?
9. What role did healing — emotional, spiritual, relational, and physical — play in the story?
